

TSUKUBA Creative Camp Advanced

For students who are interested in founding startups!

Oct.
2nd
Start!

Mr. Akira MORIKAWA, President and CEO of C Channel Corporation and entrepreneurs from University of Tsukuba are mainly going to be mentors of your business plan brushing up. You can receive the latest commercialization method including Customer-Problem-Fit / Solution-Problem-Fit process to validate your business plan. On the last day, a business plan pitch event will be held, inviting investors and entrepreneurs. We will support the realization of student startups. International students are also welcome.
